

WE SUPPORT A PUBLIC VOTE ON ABORTION REGULATION IN TENNESSEE!

In a matter of *life and death*,
shouldn't *every* Tennessean
have a say?

Let the *People Vote!*
Support *SJR 127!*

Because of a radical 4-1 ruling by the Tennessee Supreme Court in 2000, Tennessee now boasts a broader right to abortion than that recognized by Roe v. Wade or the U.S. Constitution. Basic commonsense protections passed previously by **BOTH** houses of the Tennessee General Assembly were struck down as violating this newly discovered "right to abortion" within the Tennessee Constitution. After a **decade long struggle** by Tennessee's pro-life movement to bring SJR 127 to the ballot for a public vote, **both chambers of the General Assembly gave first approval to the proposed constitutional amendment in 2009.**

As with every proposed amendment to the Tennessee Constitution, the resolution must now be passed by the General Assembly for a second time requiring a 2/3 super majority in this legislative session. Only then can it be placed on the ballot in 2014 so the citizens of our state can **FINALLY** have their say. **Join Tennessee Right to Life in urging our legislators to once again overwhelmingly pass SJR 127 during 2011 so that you can have your say in 2014.**
